ABOUT ME

Jeanette Falu-Bishop is a nationally certified massage therapist with over 23 years of experience, specializing in therapeutic and orthopedic massage. Known for her professionalism, expertise, and client-centered approach, Jeanette provides sessions that prioritize comfort, recovery, and performance. She is the founder of MassageBizPro, an education and consulting platform that connects skilled therapists with doctors, attorneys, and business opportunities, helping elevate the massage industry as a whole. Jeanette delivers expert care with professionalism, respect for client privacy, and individualized attention, whether for medical recovery, spa wellness, or high-profile clients. Her international and clinical experience includes working in European spa environments, medical facilities, and with clients requiring advanced therapeutic care. Fluent in both English and Spanish, Jeanette is able to connect with a diverse clientele, creating a supportive and professional experience for every client she serves.
